## About Us

---

The D4D&I Learning Hub is funded by the VA Quality Enhancement Research Initiative (QUERI). D4D&I targets the adoption, implementation, sustainment, and scale-up and spread of an effective practice. It will increase the knowledge and skills of VA clinical and operational staff, early career and experienced investigators who are ready to disseminate and implement an evidence-based care coordination program across the VA.

## Who should take this training?

---

VA clinicians, staff and leaders, research investigators, early career awardees, and fellows who are ready to disseminate and implement an evidence-based care coordination program in the VA.

## Facilitators

---

Cathy Battaglia, PhD, RN

Michaela McCarthy, PhD, RN
